Sermon Stresses 'Law' in Lesson

How obedience to the law of God opens the way to freedom will be explained Sunday in the Lesson-Sermon on "God," at all Christian Science church services July 2. Scriptural passages from the sermon will include these words of the Psalmist (119:33, 45), "Teach me, O Lord, the way of thy statutes; and I shall keep it unto the end. . . And I will walk at liberty: for I seek thy precepts." Man's right to freedom as stressed by Mary Baker Eddy, is brought out in selections from "Science and Health with Key to the Scriptures" where she says, "Discerning the rights of man, we cannot

fail to foresee the doom of all oppression. Slavery is not the legitimate state of man." "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker divine Truth and Love." (pp. 227, 106) The Golden Text is from Deuteronomy (3:24), "O Lord God, thou hast begun to shew thy servant thy greatness, and thy mighty hand: for what God is there in heaven or in earth, that can do according to thy works, and according to thy might?"

CONTACT LENSES IDEAL FOR WATER SKIING, SKIN DIVING

Need for vision correction is no longer a "spoilsport" for water skiers and skin divers. Wearing "spectacles" is impractical and hazardous, but the new plastic contact lenses provide clear vision with complete freedom from bothersome flying spray in skiing and boating, or fogging-up behind diving masks. Contact lenses may be worn safely, too, for swimming and diving, without masks. More than a million Americans are wearing contact lenses in sports, at work, and for

social occasions. The thinness and lightness of modern small diameter plastic lenses offer advantages never before attainable. Application is easy, and the new lenses can be worn around the clock without discomfort or irritation. Get AL the facts! Come in, or write for fascinating new booklet. Easy terms. Dr. J. M. SOSS, Optometrist (32 years in Harbor Area), 1268 Sartori Ave., FA 8-6602. Open Friday evenings and all day Saturdays. Offices also in Wilmington.
